R.O.C.No.B.350/38.

Station Madras

Dated the 4th July 1938.

From (Name) P.H. Rama Reddi, Esq., I.A.S.,

(Designation) Director of Agriculture,

To The Secretary to the Government of Madras,

Public Works Department.

Through The Chief Engineer for Irrigation,

Madras.

Sir,

I have the honour to state that a sum of Rs.31,40 was sanctioned in G.O.No.P.2952-P.W.D.(I) dated 22nd Decem 1936 for the construction of Quarters for the staff of the Agricultural Department at the Agricultural Research Station, Siruguppa. Provision was not included in this amount for the construction of quarters for the gazetted officer -- the Assistant Agricultural Chemist in charge of the station, as a private bungalow was available for lease at a monthly rent of Rs.25/-. The owner also promised to carry out necessary repairs to the bungalow and lease it out. Subsequently he refused to carry out repairs and as no other suitable building was available the Assistant Agricultural Chemist has now been occupying one of the subordinates' quarters which will have to be vacated by him when the Assistants join duty at Siruguppa after the construction of the laboratory is completed.

2. At the conference of the Agricultural and Public Works Department officers held at Siruguppa on 6th September 1937, Mr. Ananda Rao, the then Director of Agriculture, agreed to take over from February 1938, the quarters built for the temporary Assistant Engineer for the occupation of the Assistant Agricultural Chemist. The Executive Engineer has now offered the building to be taken over by this department but wants the sanction of Government for its transfer.

3. Against the sanction for Rs.31,400/- referred to in paragraph 1 above, the sanctioned estimates amount to Rs.33,250/- as detailed in the Annexure. If the cost of the quarters now proposed to be transferred, viz. Rs.3,500/- is also added to this, the total amount comes to Rs.36,750/- which exceeds the amount originally sanctioned by more than 10%.

4. I request therefore that fresh administrative approval of Government may be accorded for the sum of Rs.36,750/- for residential buildings for the Agricultural Department staff at the Agricultural Research Station, Siruguppa and that the transfer of the Assistant Engineer's Quarters on the station to the Agricultural Department for occupation by the Assistant Agricultural Chemist may also be sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

for DIRECTOR OF AGRICULTURE.

OFFICE OF THE CHIEF ENGINEER FOR IRRIGATION.

Endorsement No.223/37 C-35 dated 5th A u g u s t 1938.

Subject: Buildings - Residential - Agricultural Research Station, Siruguppa - Transfer of Public Works Department Assistant Engineer's quarters to the Agricultural Department for occupation by the Assistant Agricultural Chemist - Sanction requested.

From the Director of Agriculture, Madras, R.O.C.No.B.350/38 dated 4-7-1938.

Forwarded.

The Supervisor at Siruguppa is occupying the temporary Assistant Engineer's quarters. His services will not be required on the experimental farm when the work on the buildings and pumps ~~here~~ has been completed. His quarters may be handed over to the Agricultural Department.

The Supervisor will however be required for some time longer to investigate a channel to a proposed demonstration farm near Siruguppa. I am instructing the Superintending Engineer to proceed with the investigation of this channel expeditiously and complete it before 1st November 1938. During this period, the Supervisor and the Assistant Agricultural Chemist may continue as at present. After 1st November, I propose to convert the Overseer's section at Siruguppa into a Supervisor's section and post the Supervisor there in lieu of the Overseer. I shall send up my proposals for this separately.

I have discussed this with the Director of Agriculture and he agrees to take over the Assistant Engineer's quarters on 1st November.
